

MEMORANDUM

EPA regulation entitled “Asbestos Health Emergency Response Act”

To all Carter G. Woodson School Staff, Students and Parents

In accordance with the EPA regulation entitled “Asbestos Health Emergency Response Act” referred to as AHERA, Carter G. Woodson School has been inspected by a licensed NC Management Planner and no asbestos containing materials were found, thereby deeming the school an ASBESTOS FREE facility.

This notice is also distributed in a leaflet/letter to staff, students/parents and/or placed in the Staff, Student/Parent Handbook(s) at the beginning of each new school year, in accordance with EPA regulation.
